The Grant -

Supporting the purchase of:

Learn to Swim pool equipment

4 x diving board covers

2 x storage trolleys

1 x large marketing sign "Braunstone Swimming Club"

The disastrous loss of Braunstone SC's home pool due to fire in 2016, has been turned around with the help of Blaby District Council's generous grant to help replace essential equipment in the newly refurbished pool. The grant has made a huge difference in ensuring that the club continues to operate effectively, providing new learn to swim equipment for the benefit of all the kids in the Learn to Swim sessions, storage and diving board covers at health and safety standard, as well as a wonderful new piece of artwork that promotes not only the club, but Braunstone Town, Blaby.
