Health and Safety Responsibilities

Health and Safety responsibility is inherent in the managerial role and the responsibilities for health and safety are no different from the requirements of other management activities.

To be familiar with and at all times comply with corporate and local health and safety policies and procedures as amended or added to from time to time by fully implementing the Council's health and safety quality management system within your operations.

To ensure that robust, effective safe working arrangements and procedures, including lone worker, are documented and in place and adhered to by staff at all times.

To ensure accidents, incidents, dangerous occurrences and near misses involving persons (Council employees or otherwise) on Council property are properly recorded, investigated and reported.

To identify and report health and safety training needs of employees.

To ensure that arrangements are in place to ensure the safety of your staff and visitors in the event of an emergency evacuation, particularly those of your staff or visitors who may require special assistance.

Emergency Planning/Response Responsibilities
To carry out the duties specified in relation to the post in the Emergency Plan, Business
Continuity Plans and other associated documents
