Social distancing in the workplace during coronavirus (COVID-19): sector guidance

We are aware that the taxi and PHV trade are undertaking delivery work – please see the section on ‘Deliveries’ as well as ‘Transport businesses’. Measures contained in the section on ‘Use of private vehicles and car pooling’ would apply to the taxi and private hire vehicle sector e.g. maintain good ventilation.

Insurance for undertaking deliveries

Association of British Insurers (ABI) motor insurance members have committed to support taxi and private hire drivers seeking alternative sources of income: licenced taxi or private hire drivers that had hire or reward insurance in place, as of 8 March, will not need to contact their insurer to extend their your existing cover while driving this vehicle to carry parcels, medical supplies, household goods, groceries or takeaway meals during the Covid-19 restrictions.

The ABI's commitment will be in place until the end of the Covid-19 restrictions, or until 31 July 2020, whichever is sooner

Cleaning of non-healthcare settings

Public Health England have provided guidance on the cleaning of non-healthcare settings, this is available at: <https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings>

Assisting the trade

The Self-employment Income Support Scheme will allow you to claim a taxable grant worth 80% of your trading profits up to a maximum of £2,500 per month for the next 3 months.

This may be extended if needed. More information on the scheme is available
