Dear Mr Back,

## Neighbourhood Plan

Blaby Parish Council have chosen the whole parish of Blaby for our plan area for the following reasons:-

1. Blaby is a very clearly defined entity and part of the reason for producing the plan is to protect and enhance Blaby as a whole.
2. Although the plan will focus on 3 key areas namely
  - (a) Protecting and enhancing green space
  - (b) Protecting, promoting and enhancing the unique town centre
  - (c) Facilitating responsible development in line with the core strategy targets we believe any action on these issues will impact on the Parish as a whole.
3. The recent Blaby community plan has highlighted the need for Parish wide action to improve and enhance the quality of life for all Blaby residents.

Yours sincerely

Mrs Vicki Jepson
