

Business and Skills Support

We can support local businesses by offering consultations to help grow your business, and training to ensure you have a skilled workforce.

Business Support Services:

Startup support: Tailored assistance to help you launch your business successfully

Capital raising guidance: Expert advice on securing funds for business growth and development

Locate your ideal business premises: Specialist real-time software to help you find the perfect location for your business

Business Breakfasts and events: Join us for engaging discussions on trending topics, and participate in our informative events and training sessions

Work and Skills Services:

Recruitment support: Help your business recruit staff through our Job and Skills fairs

Training and development: Identify relevant courses to develop your workforce according to business needs

Apprenticeships: Expert guidance on setting up an apprenticeship for your business

Internship programmes: Support with benefitting from graduate-level expertise and innovation in your business, through a fully funded university internship programme
