

# Food Waste Collections

## Start from 30 March

### 2026 Collections

#### Start of the weekly service

From **30 March 2026** we'll collect your food waste every week on the same day as we collect your waste and recycling, using a separate vehicle.

#### What we will provide

A caddy pack that will contain:

- A small (7 litre) kitchen caddy
- A **starter roll** of bags to line the kitchen caddy
- A larger (23 litre) lockable outdoor food waste recycling caddy
- Instructions to help you get started

### Caddy pack delivery

#### When will you receive the caddy pack?

Caddy packs will be delivered during February and March. Deliveries to all homes will take up to six weeks. If you won't be home, please ask someone to take your caddy pack in. Check our website for delivery updates.

If you haven't received your caddy pack by **Friday 20 March**, let us know at:

[www.blaby.gov.uk/foodwaste](http://www.blaby.gov.uk/foodwaste)

### Why recycle food waste

You'll recycle more of your household waste

- Your food waste will be turned into nutrient rich fertiliser and biogas - a renewable energy
- Your black-lidded wheelie bin will be cleaner and less full

### Want to know when we're delivering to you?

Scan the QR code or visit:  
[www.blaby.gov.uk/foodalert](http://www.blaby.gov.uk/foodalert)  
to sign up for text or email alerts.

We'll notify you when your caddy pack is due to arrive.  
Sign up by **midnight on 27 January 2026**.
